Husband, father, friend and colleague, **BOB PETERSON**, has been diagnosed with pancreatic cancer which has spread to his liver. Bob has devoted his life to protecting and serving as a:

- Loyal and loved veteran of the White Bear Lake Fire Dept. as a paramedic for 25 years and firefighter for 20+ years
 - Devoted Deputy Bailiff with the Washington County Sheriff's Dept. for 14 years
 - Member of State Fair Police Dept. four years

Bob's loving and supportive family includes his wife of 11 years, Julie, and four children: Chad (29) and wife, Emily; Tanya (27) and boyfriend, Matt, Jimmy (16); and Bobby (9). These people give Bob much love and lots of laughs. Bob has taken his love for fire fighting and helping people to the Hennepin Technical College classroom where, for the past 20 years, he has shared his knowledge and pride of being a fire fighter.

Bob is a wonderful husband, a caring father and a thoughtful friend. **He is a hero!**

These two benefits are being planned to help support the family by creating a college fund for the two youngest children and assisting the family in acquiring and furnishing a home that is conducive to their new medically-challenging situation.

On behalf of Bob's family, the White Bear Lake Fire Dept., the Washington County Sheriff's Dept. and the State Fair Police Dept., we thank you for your support and prayers. We hope to see you at one or both benefit events!

Two benefits have been planned to help the family.

**Donations can also be made to the Bob Peterson
Benefit Fund at any Lake Area Bank.
Thank you for your support!**
